## Women's Ultra-Smart Coats, Capes and Wraps

—four groups specially priced for Monday!

At **59.50**

Coats with just a suggestion of being fitted, wraps that drape themselves softly and smartly, capes that possess a youthful jauntiness—all these are included, in so many versions of the mode that selection is a pleasure. Osiris, alonzo, panvelaine, sashon are among the materials, with collars of skunk, gray squirrel, or Australian opossum in the way of furs, or self material to wear with one's own neckpiece. All silk or crepe lined.

At **85.00**

Wraps, Capes and Coats comprise this group, and display side-draped effects, the long waisted and bloused back coats, as well as wraps and capes. Fur collars of beaver, squirrel, wolf or caracul enhance their charm, while many have cuffs and border of fur as well.

At **98.50**

Such stunning coats as these are not often to be found at this price—for the most recently arrived of foreign models are reflected in them. Marvella, gerona, panvelaine, alonzo and other velvety fabrics develop them, and the lavish way in which fur is used is additional reason that they are wonderful values. Crepe or silk lined.
